Dear IMA representatives,

As you know, the next IMA President for the upcoming two years will be Anhuai Lu from China. As stipulated by the IMA statutes, Council herewith proposes the following slate of nominees for election or re-election. We ask for your support, but be reminded that additional nominations are possible (see IMA statutes). Elections will take place at the General IMA online conference mid of January 2021 during the 2nd Business Meeting (January 14th, 2:00-3:00 pm Central European Time (CET)). If you are unable to attend, please insure that alternative representative(s) of your country will be present. Please note that your country may have more than one ballot, depending on the number of members in your society (see list of Balloting Power of each Member Country). Details about the type of voting will be communicated later – we are trying to convince one of our former Presidents, together with a person of his choice, to act as a Balloting Committee, to validate and count the ballots and to report the results anonymously to the IMA Secretary.
